

City of Seattle Sweetened Beverage Tax (SBT)
Prenatal-to-Three Community Grant Program
RFP Summary Companion

INTRODUCTION

The Department of Education and Early Learning (DEEL) is requesting proposals from community-based organizations (CBOs) interested in providing services to improve health and educational outcomes for individuals in the prenatal-to-three year period.

Approximately **\$1.49** million dollars is available for this investment for **2024-2026**. Eligible entities may submit one proposal requesting a maximum of **\$149,000.00** per year for a total of **\$298,000.00** over two years. Funding will be awarded through this Request for Proposal (RFP) process managed by the City of Seattle Department of Education and Early Learning (DEEL). This PN-3 Community Grant RFP seeks proposals for **three** focus areas:

1. Healthy and Equitable Births
2. Parental Health and Emotional Wellbeing
3. Nurturing and Responsive Caregiving

DEEL is prioritizing funding for community-based organizations (CBOs) with missions to serve expecting parents, caregivers and/or guardians of children aged birth to three within the City of Seattle with a particular interest in reaching priority populations, defined as communities of color, immigrants, refugees, people with low income, and English language learners. Successful proposals will receive two years of funding.

ELIGIBILITY AND FUNDING

To be eligible for funding through this RFP, proposers must be one of the following:

- Not-for-profit organization (or fiscally sponsored by an organization) with 501(c)3 status (including community-based or faith-based organizations)
- Community organization or collaboration that are not incorporated as a non-profit, such as community collaboratives, coalitions and/or other affinity groups, must identify a fiscal sponsor that meets the requisite contracting requirements of the Department
- Tribes and tribal organizations

In addition, proposals must provide services to participants that reside within the City of Seattle limits.

This funding is not intended to be used for services already funded by other public dollars.

Projects that are not eligible for this funding opportunity include proposals that:

- Provide quality supports or subsidies for licensed child care
- Solely focus on supporting general operations of an organization
- Are without a central focus on prenatal-to-age-three
- Focused on political lobbying
- Currently funded 2023-2025 PN3 Community Grant partners
