"Printed on Recycled Paper"

After reviewing the Draft EIS and the comments from Tribes, the public and agency partners, the Sound Transit Board identified a preferred route and station locations for the West Seattle Link Extension and directed staff to conduct further studies and community engagement for the Ballard Link Extension, including Chinatown International District.

This briefing provides an overview of CID further studies, engagement opportunities and feedback received during our CID workshop series that began with an open house in October.

Sound Transit staff will provide updates to the Sound Transit Board on progress of further studies in February 2023.
