Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.
 -Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.

Census questionnaire changes limit comparability of 1990 Census estimates on race and ethnicity with later Census estimates:

-1990 estimates for race are not directly comparable to 2000 and 2010 estimates due to changes in race categories on Census questionnaire.

-Starting in 2000, the question about ethnicity was moved to precede the race question. This and other changes may affect comparability of 1990 estimates on Hispanic/Latino ethnicity with estimates from 2000 and 2010.

See note on comparability of race and ethnicity categories above.

* Persons of Hispanic or Latino ethnicity and/or race other than White alone (for 1990: and/or other than white).

Note: The Census asks about Hispanic/Latino ethnicity and race in two separate questions. Persons in any race categories may be of Hispanic/Latino ethnicity.
