

**MAYFAIR PARK  
RETAINING WALL & STAIRWAY REPLACEMENT PROJECT**

# **OPEN HOUSE AT MAYFAIR PARK!**

Seattle Parks and Recreation invites the community to learn about the renovation of the Mayfair Park stairway and retaining walls. The project will replace the aging timber features (stairways, retaining walls, and light fixtures) which have reached the end of their useable life. The play area is not in the scope of this project. The project planner and manager will present project information and answer questions on the upcoming improvements.

Mayfair Park is located at 2600 2nd Avenue North (2nd Ave N & Raye St), Seattle WA 98109.

We anticipate starting construction in spring 2020.

**PLEASE STOP BY AND VISIT US DURING THE OPEN HOUSE TO LEARN ABOUT THE PROJECT.**
