Magnuson Park Outdoor Pickleball Court Preferred Concept Designs

Please Join Us!

**THURSDAY, NOVEMBER 21ST
FROM 6 TO 7:30 PM**

Magnuson Community Center, 7110 62nd Avenue NE.

Seattle Parks and Recreation (SPR) invites the community to attend a meeting to review design concepts for the Outdoor Pickleball Court Development project at Warren G. Magnuson Park.

The preferred concepts include up to 24 pickleball courts on the Children's Hospital park-and-pool lot, located to the north of NE 65th Street. The current project budget allows for the construction of 8 to 14 pickleball courts with lighting which are anticipated to be open by late 2026.

In 2003, an environmental impact statement was prepared for the Wetlands, Courts and Sports Field project, which includes the current pickleball site. Due to this a supplemental environmental impact statement (SEIS) will be prepared. This includes an analysis of three alternatives: no build; build 8-14 courts, and full build out of 24 courts. After a preferred alternative is selected, a wetlands and sports field master plan will be amended by removing an unbuild ballfield and inserting the pickleball full build out alternative.

FOR MORE INFORMATION ABOUT THE PROJECT AND TO STAY UPDATED ON THE PROJECT'S PROGRESS, PLEASE VISIT:
