

# PLEASE PARTICIPATE!

# SPRUCE STREET MINI PARK

# PLAY AREA RENOVATION

Seattle Parks and Recreation invites you to participate in the final design work for the Spruce Street Mini Park play area renovation. Please participate to learn about the project, meet the design team and provide input on the preferred schematic design and the three play equipment options for this Central District park located at 160 21st Ave.

## COMMUNITY INPUT

We wanted to thank you in advance for contributing your thoughts on what is most important to you as we move forward with this project. The design team incorporated the community's input into the play area schematic design and we are excited to share it with you. Please participate in this online survey at <https://seattle.surveymonkey.com/r/sprucestpa> and join us live Saturday, February 27, 2021 at 10 a.m. at <http://bit.ly/SpruceStreetPlay> to review proposed schematic design. Your input is important to us! Thank you in advance for your feedback.

## ARTIST CALL

Seattle Parks and Recreation, Seattle Office of Arts & Culture, Planning Artists (Damon Brown & Hasaan Kirkland), and a small team of community members are looking to commission an artist or artist team of two, to collaborate with and install a mural project for the Spruce St Mini Park Play Area Renovation. The selected artist/artist team will be asked to develop an artwork that reflects the history and diversity of the Central Area community. Please look out for information about the Call for Artists coming out next month and contact Jason Huff ([jason.huff@seattle.gov](mailto:jason.huff@seattle.gov)) for more information about the art project at Spruce St Park.

## Which Play Equipment Option is Your Favorite?

Option A: Crayon Box

Option B: Shadow Play

Option C: Bird House
