

## Incentive Zoning (IZ) Summary Report

Data from 1/1/2000 to 12/31/2016

The Incentive Zoning (IZ) program is a voluntary program in which developers provide certain amenities in exchange for the ability to build extra floor area beyond the base amount allowed by the code.

This report contains issued permit projects participating in the IZ program within the date range indicated above. The report includes the total amount of extra floor area provided for the project and the amenities that were contributed by the developer to achieve the extra floor area. Additional information on the available amenities, including Transferable Development Rights/Transferable Development Potential (TDR/TDP), can be found in [TIP 258: Developer Contributions – Incentive Zoning](#). You can also research the specific record through our [Seattle Service Portal](#).
