10	164/205/61211	E Marginal Way pavement improvement / Improve pavement conditions for freight, general transportation and bicycles	Community request, SODO Action Plan	2021 Implementation as part of E Marginal Way improvements

*Indicates support from targeted outreach efforts

SODO

Rank	#	Project
1	36	Utilize the ramp that comes down West of fs 36 to have elevated roadway that bypasses most of the expected congestion once travel picks up
2	20	Keep S Holgate St open for all modes between 1st and 4th Avenues and improve S Horton S
3	26	Repair potholes along the detour routes and then on routes that will be impacted by additional traffic; Consider a two-pass strategy for roadway maintenance with initial work as soon as possible and a second pass ahead of the rainy months
4	207	Accelerate the Lander St Grade Separation detour route reconstruction as much as able
5	24	Address ponding in SODO and repair vulnerable points along detour routes before the rains makes those fixes difficult or impossible
6	47420	Add a bike lane on S Spokane St
7	6	Improve transit service on 1st Ave S and seek other transit improvements throughout SODO
8	7	Rehabilitate bike paths along Alaskan Way S between the Central Business District and S Spokane St
9	91	Rechannelize East Marginal Way at Duwamish Ave and SW Klickitat Way intersection to better organize turning movements
10	164/205/ 61211	Improve pavement conditions for freight, general transportation and bicycles
