YOU'RE INVITED

35th Ave SW Safety Corridor

West Seattle Neighborhood Greenway

THURSDAY, AUGUST 4
7 - 9 PM
Neighborhood House High Point
Room 207
6400 Sylvan Way SW

You're invited to a public meeting hosted by the Seattle Department of Transportation (SDOT) to discuss our upcoming **35th Ave SW Road Safety Corridor** and **West Seattle Neighborhood Greenway** projects.

35th Ave SW Road Safety Corridor

In 2015, we redesigned the southern segment of 35th Ave SW to reduce speeding, collisions, and injuries, and enhance conditions for everyone that uses the street. Phase 2 of this project begins later this year and continues into 2017 to address safety and mobility issues in the northern segment.

Join us on Thurs., Aug. 4, when we will share preliminary data from Phase 1 and draft plans for Phase 2. We want to hear about your observations and experiences along the corridor.

The project team will also host a walking tour of 35th Ave SW on Tues., Aug. 9. For more information, visit our website:
www.seattle.gov/transportation/35thsw.htm.

West Seattle Neighborhood Greenway

We're studying routes for a new north-south neighborhood greenway parallel to 35th Ave SW. The new West Seattle Neighborhood Greenway will prioritize people walking and biking on residential streets.

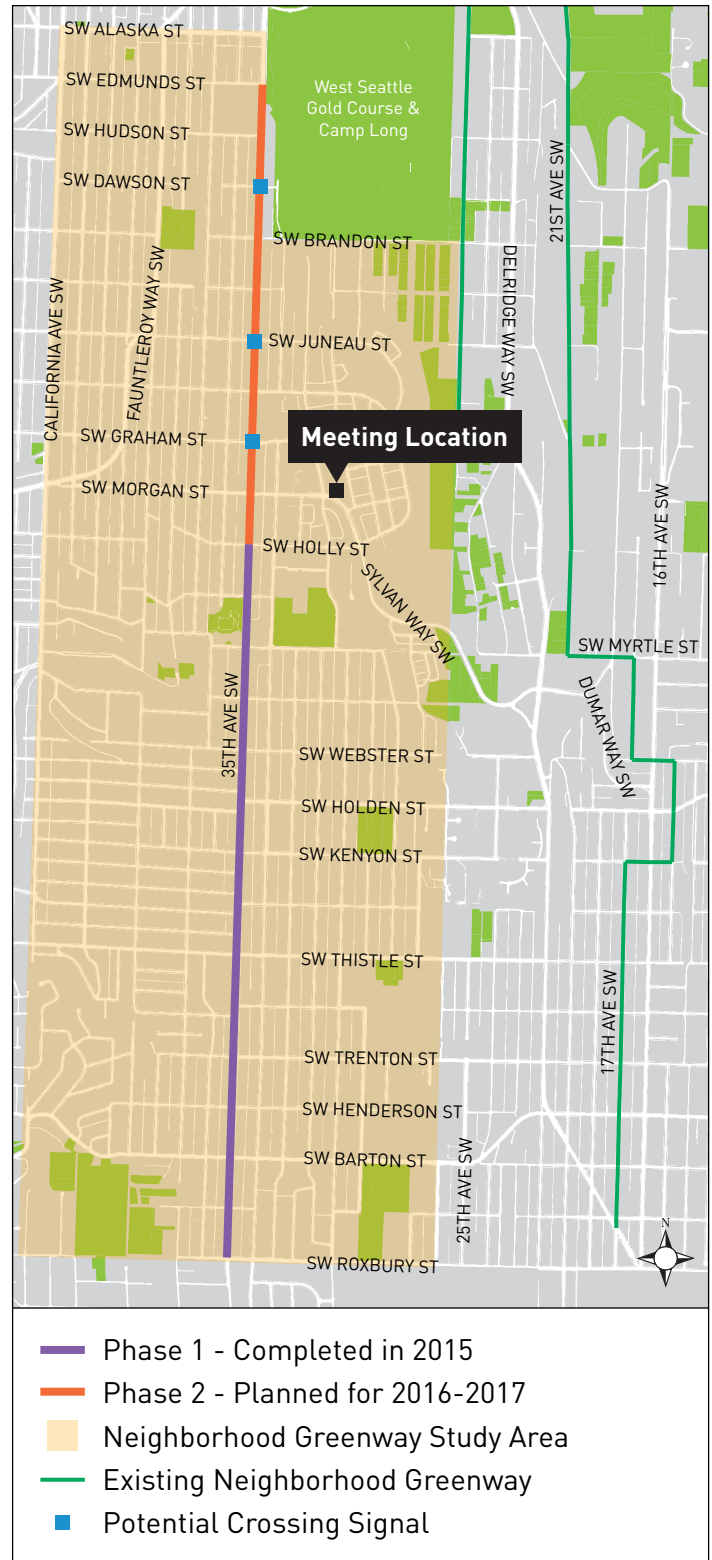

At the meeting, we can share traffic data, and you can help us learn where people want to walk and bike in the neighborhood, and what barriers stand in their way. Neighborhood greenways are safer, calmer streets for you, your family, and neighbors. For more information, visit our website:
www.seattle.gov/transportation/WSeattleGreenway.htm

This meeting is wheelchair accessible and served by Metro bus routes 5 and 128.

Questions or comments?
