Construction on 25th Ave NE moves north between NE 55th and NE 65th streets

Construction for the 25th Ave NE Paving Project is planned to move north, between **NE 55th and NE 65th streets as early as Monday, December 17**. Work will also continue between NE Blakeley and NE 55th streets into early 2019.

WHEN WILL CONSTRUCTION START AND HOW LONG WILL IT LAST?

Crews will work in 2 phases:

Phase 1: From December 17-21 crews will repair the street, curb ramps, and sidewalks on the east side of 25th Ave NE between NE 55th and NE 65th streets. They'll start work at NE 57th St and travel north towards NE 60th St to install curb ramps and perform sidewalk repairs. Then crews will temporarily pause the week of December 24 before returning in early 2019 to complete the remaining work on both sides of 25th Ave NE.

Phase 2: Once repairs are complete, crews will pause again and return in spring 2019 when weather conditions are suitable for paving.

Please note, the remaining work is weather dependent, and the schedule is subject to change.

WILL CONSTRUCTION BLOCK DRIVEWAYS?

Crews will maintain driveway access throughout the project. We'll notify you in advance of any driveway impacts.

Email is the best way to stay up to date. Sign up at: www.seattle.gov/transportation/pave_ne25.htm

WHAT TO EXPECT DURING CONSTRUCTION

Phase 1 Parking Restrictions: On-street parking will be temporarily restricted on both sides of the street during typical work hours from 7 AM to 5 PM Monday through Friday.

- Parking will be available for residents from 5 PM to 7 AM
- **Cars parked in the work zone after 7 AM will be towed at the owner's expense**

Traffic Control: A minimum of 1 lane of traffic in each direction will remain open on 25th Ave NE.

- Periodic traffic detours may be needed to establish a safe work zone
 - Please follow detour signs and drive slowly near active work zones
- We'll maintain access for people walking at all times

Side Street Closures: Single lane or full closures on side streets and alleys may be needed to establish safe work zones.

- NE 57th St may be closed in Phase 2 work. Advanced notice will be provided.
- Crews will maintain access to the community located on the west side of NE 60th St and 25th Ave NE

Advanced Notice: Advanced notice will be provided for night and weekend work, side street closures, and temporary restricted access to residential driveways.
