## **Crossing improvements are coming to Taylor Ave N and Galer St**

**Your Voice, Your Choice:** Parks & Streets is an annual program for Seattle residents to vote how to spend a portion of the City's budget on small-scale park and street improvements.

Now that votes from 2019 have been tallied and projects have been selected, it's time to design and construct them.

## Overview

The Taylor Ave N and Galer St intersection provides an important connection for pedestrians accessing the staircase also known as the Galer Street Hillclimb. The Hillclimb provides an important east-west connection between South Lake Union and the businesses on top of Queen Anne Hill. We'll install new painted curb bulbs with tuff posts at the existing marked crosswalk and adding a new streetlight on the west side of the street and along the stairway to improve visibility and enhance overall safety.

## Solutions

- Install new painted curb bulbs with tuff posts
- Install a new streetlight
- Install a new stairway pedestrian light
